BIOGRAPHICAL QUESTIONS

Visit Latin III/IV on crabbylatin.com for two helpful links in answering the following questions.

- How many poems did Catullus write?
When did Catullus live? How old was he when he died?
Who was the ruler of Rome at the time?
What was the financial state of Catullus' family?
Who was Clodia? Why was she so famous, or rather "infamous"?
Where is Bithynia? What did Catullus do there? For whom did he work?
Who was Mamurra?
Who were the Novi Poetae (*neoteroi*)? How and why did Catullus fall into this category?
What are four major themes in Catullus' poetry?

III. GRAMMAR

Questions will be taken directly from old National Latin Exams. Google "NLE Exams" to access all old exams.

PASSAGE #II

Catullus #5
Catullus #7
Catullus #43
Catullus #85
Catullus #86
Catullus #87
Catullus #107
Catullus #109

V. PHRASES

You should be able to translate and explain the following phrases.

amor nihil mollius nihil violentius
si vis amari, ama
amare et sapere vix deo conceditur
amor animi arbitrio sumitur, non ponitur
amans iratus multa mentitur sibi
amor caecus est
amor vincit omnia et nos cedamus amori
amori finem tempus, non animus facit
amor tussisque non celantur
blanditia non imperio fit dulcis venis
littore quot conchae tot sunt in amore dolores
non amore ab ancilla est incipienda
odi et amo
cum ames non sapias aut cum sapias non ames
varium et mutabile semper femina
nex et amor vinumque nihil moderabile suardet
iuppiter ex alto periuria ridet amantium
homo totiens moritur quotiens amittit suos
fabas indulcet fames
succesore novo vinciturn omnis amor
arte perennat amor
insequeris, fugio; fugis, insequor; haec mihi mens est
sine cerere et libero figet venus
sine amore, nihil est vita
